

## National Science Day-2022 at Muralidhar Girls' College

National Science Day is celebrated every year on February 28, to mark the discovery of the 'Raman Effect' - a phenomenon in spectroscopy, by Sir Chandrasekhar Venkata Raman. Sir C V Raman discovered the Raman Effect in 1928 while working in the laboratory of the Indian Association for the Cultivation of Science, Kolkata, for which he was awarded the prestigious Nobel Prize in 1930.

Also this day is celebrated to appreciate the efforts of individuals & organizations tirelessly working in the field of Science & Technology for the betterment of mankind. This day stands to motivate and encourage young budding minds of students into the field of Science and Technology which is why Principal Madam along with the science faculties of Muralidhar Girls' College had chosen to celebrate the

National Science Day-2022 on the 31<sup>st</sup> of March 2022, so that our students could get over with their semester exams and participate in majority. Sir C. V Raman once said "Ask the right questions and nature will open the doors to her secrets". Syncing to this invigorating thought and following the theme of National Science Day 2022- Integrated approach in Science & Technology for sustainable future, the following events were organized- **Poster and Model Presentation** by Students, **Students Speech**, **Students Quiz** and a **Documentary film** on the life and journey of Sir C. V. Raman. The guests for the day were Dr. Indrila Guha, Principal, Basanti Devi College, Dr. Sonali Banerjee Yash, Principal, Netaji Nagar Day College, Dr. Mallasri Bhattacharya, Ex-Prof. of Botany, Muralidhar Girls' College who took the stage alongside Dr. Kinjalkini Biswas, Principal, Muralidhar Girls' College. The event began with lighting of lamp and garlanding the photograph of Sir C. V. Raman, followed by felicitation of the guests with a small token of appreciation. The felicitations were conducted by Dr. Senjuti Mandal, Dept. of Chemistry, Mrs. Ambalika Chakraborty, Dept. of Chemistry & Dr. Bandana Das, Dept. of Mathematics. The welcome note for this event was given by our Principal Madam Dr. Kinjalkini Biswas. The event was compered by Dr. Priya K Gopal, Dept. of Microbiology.

This day was planned to keep a competitive mindset at bay, rather following the purpose of this celebration and basic motto of awakening the minds to always be in scientific motivation, there was no competition kept in the events. The Quiz Competition was open to all and each student giving correct answer was instantly given a pen for a prize by Dr. Sangita Daschowdhury, Dept.

of Botany & Dr. Senjuti Mondal, Dept. of Chemistry. The quiz masters for the event were Mr. Subhrajit Dey, Dept. of Mathematics and Mr. Avik Mukherjee, Dept. of Botany, they were helped by Mr. Subhankar Saha, Dept. of Statistics, Mr. Sarat Patra, Dept. of Chemistry & Mr. Suraj Ali, Dept. of Physics. Total of 120 students participated in the quiz and 25 won the quiz prizes. The National Science Day-2022 celebration at Muralidhar Girls' College was joined by students from Netaji Nagar Day College and Basanti Devi College in all the events. The day ended with a documentary on Sir C.V. Raman. Principal Madam appreciated the participants of the National Science Day event. Dr. Sampriya Choudhury, Dept. of Botany presented the concluding thoughts of the day. Dr. Suvasree Dutta Dasgupta, IQAC Coordinator, gave the vote of thanks. The day ended with distribution of participation certificate to all the participants, by Mr. Sontu Bugh, Dept. of Botany. Conclusively it was an overall successful event which left all the participants, teachers and visitors fully satisfied & with a contented heart.
