

On World Environment Day (5<sup>th</sup> June ) 2022, IQAC in collaboration with Dept. Of Env Studies and Dept. Of Botany , Muralidhar Girls' College jointly organize an intra college Competition on the topic "REUSE PRODUCT MAKING COMPETITION FROM WASTE" .

Among the entries some entries are very unique and interesting and these entries also signify the campaign for this year, "ONLY ONE EARTH" .

Some notable entries are –

1. Flower Basket with used Plastic ( made by Payel Samanta)
2. Tree stand with used Glass Bottle painted with Colour ( made by Priya Das)
3. Pen Stand with used Ice cream stick ( made by Nishat Tasmin)
4. Candle Holder with used Plastic spoon ( made by Apurva Sengupta)

All the entries from the students are unique and support the goal of " SUSTAINABLE DEVELOPMENT " .

Among the entries , the BEST POSITION has been achieved by Apurva Sengupta ( SEMESTER IV, COLLEGE ROLL NUMBER 180) for her beautiful creation using used Plastic spoon.
